# Smart Payment Technologies

# G8-Air
## Feature Guide

## Fly Smarter
### Your Ticket to In-Flight Shopping

Experience seamless transactions at 35,000 feet with G8-Air, the cutting-edge payment solution designed for onboard payments. Enjoy the convenience of **offline payments** and increased acceptance rates with our **auto-retry feature**. Whether it's for duty-free shopping, meals, or entertainment, G8-Air ensures a smooth, reliable payment experience for all passengers. Our **easy integration** and **real-time management** make it an easy choice for enhancing passenger experience and operational efficiency. Elevate your service with G8-Air.

### 📶 Deferred Auth

Experience seamless service in the skies with our hassle-free deferred-auth payments onboard—where convenience takes to new heights.

### 🔄 Auto-Retry

Safeguard your in-flight transactions and boost acceptance rates, upwards of 95% with fully configurable auto-retry of declined transactions.

### ✥ Multi-Currency

Seamlessly switch currencies on the fly, making every payment journey with us as flexible as your next customers destination.
